Join us for the fifth annual Wings of Dreams Airfest, featuring the Wings of Freedom Tour and the historic gathering of WWII Combat Airmen, Fighter Aces and Women Airforce Service Pilots (WASP). Come meet and talk to true American heroes, hear epic tales of their wartime experiences and participate in tributes to commemorate their service.

The mighty and most famous "freedom fighters" of World War II - the B-17 Flying Fortress, the only flying B-24 Liberator and TP-51C Mustang - will be on display and available for tours and rides for a tax-deductible donation to the Collings Foundation. Flight instruction will be available in the Mustang. No pilot's license is required.

Contact the Collings Foundation (1-800-568-8924) to book an unforgettable flight experience for yourself and family members in these time machines. Help "keep 'em flying" to preserve World War II history for future generations and honor the heroes who saved the world from tyranny during the greatest conflict in human history.
